SECTION 1. Levy of tax.

Pursuant to the Code of Alabama, the following is hereby declared to be and is adopted as the business license code and schedule of licenses for the City of Prichard, Alabama for the year beginning January 1, 2010, and for each subsequent year thereafter. There is hereby levied and assessed a business license fee for the privilege of doing any kind of business, trade, profession or other activity in the city or the police jurisdiction, by whatever name called.

SECTION 2. Rate.

(a) *Corporate limits.* Each and every person, wherever located, who engages in any business within the corporate limits, shall pay an annual license according to the attached schedule of licenses, which is located at the end of this chapter.

(b) *Police jurisdiction.* Each and every person, wherever located, who engages in any business outside the corporate limits but within the police jurisdiction, shall pay an annual license at one-half (1/2) the rate according to the attached schedule of licenses. Nothing in this section shall be construed to permit any person conducting business within the corporate limits to pay the half rate; this section applies only to persons who do not engage in any business within the corporate limits.

(c) *Calculation method.* Unless another method is specified in the schedule, each license shall be calculated by multiplying the licensee's gross receipts for the prior year by the scheduled rate, using the following regression table which shows the percent of the license rate to be applied to gross receipts:

100 percent, of first million dollars or portion thereof.

80 percent, of second million dollars or portion thereof.

60 percent, of third million dollars or portion thereof.

40 percent, of fourth million dollars or portion thereof.

20 percent, all amounts in excess of four million dollars (\$4,000,000.00)

(d) *Special rules for new businesses.* Any person applying for a new license shall, upon payment of the minimum license amount in section 4, be issued a temporary license for a period of sixty (60) days.

(1) Not later than seventy (70) days after the issue date of the temporary license, the licensee shall file a sworn return showing the gross receipts during the first two (2) months of business. The licensee shall then pay such additional amounts as may be required by the applicable schedule for the said two (2) months; and multiplying that by six (6), applying thereto the same rate or sale of license fixed for those who did the same business during the preceding year.

(2) Failure to file the return required by this section shall constitute doing business without a license.

(e) *Delivery license.*

(1) In lieu of any other type of license, a taxpayer may at its option purchase for a payment in the amount of one hundred dollars (\$100.00) plus the issuance fee, a delivery license for the privilege of delivering its merchandise in the city if the taxpayer meets all of the following criteria:

a. Other than deliveries, the taxpayer has no physical presence within the city or its police jurisdiction;

b. The taxpayer conducts no business in the city other than delivering merchandise and performing the requested set-up and installation of said merchandise;

c. Such delivery and set-up and installation is performed by the taxpayer's employees or agents, concerns the taxpayer's own merchandise in the city, and is done by means of delivery vehicles owned, leased, or contracted by the taxpayer;

d. The gross receipts derived from the sale and any requisite set-up or installation of all merchandise so delivered shall not exceed seventy-five thousand dollars (\$75,000.00) during the license year;

e. Any set-up or installation shall relate only to:

1. That required by the contract between the taxpayer and the customer or as may be required by state law; and

2. The merchandise so delivered;

f. If at any time during the current license year the taxpayer fails to meet any of the above stated criteria, then within ten (10) days after any of the said criteria have been violated or exceeded, the taxpayer shall purchase all appropriate business licenses from the city for the entire license year and without regard to this subsection.

(2) Mere delivery of the taxpayer's merchandise by common carrier shall not allow the city to assess a business license tax against the taxpayer, but the gross receipts derived from any sale and delivery accomplished by means of a common carrier shall be counted against the seventy-five thousand dollar (\$75,000.00) limitation described in the preceding subsection if the taxpayer also during the same license year sells and delivers into the taxing jurisdiction using a delivery vehicle other than a common carrier.

(3) A common carrier, contract carrier, or similar delivery service making deliveries on behalf of others shall not be entitled to purchase a delivery license.

(4) The delivery license shall be calculated in arrears, based on the related gross receipts during the preceding license year.

(5) The purchase of a delivery license shall not, in and of itself, establish nexus between the taxpayer and the city for purposes of the taxes levied by or under the authority of title 40 of the Code of Alabama or other provisions of law, nor does the purchase of a delivery license conclusively determine that nexus does not exist between the taxpayer and the city.

(f) *Branch office.*

(1) A taxpayer subject to the license authorized by this ordinance that is engaged in business in other municipalities may account for its gross receipts so that the part of its gross receipts attributable to its branch offices will not be subject to the business license imposed by this ordinance. To establish a bona fide branch office, the taxpayer must demonstrate proof of all following criteria:

a. The taxpayer must demonstrate the continuing existence of an actual facility located outside the police jurisdiction in which its principal business office is located, such as a retail store, outlet, business office, showroom, or warehouse, to which employees and/or independent contractors are assigned or located during regular normal working hours.

- b. The taxpayer must maintain books and records, which reasonably indicate a segregation or allocation of the taxpayer's gross receipts to the particular facility or facilities.
- c. The taxpayer must provide proof that separate telephone listings, signs, and other indications of its separate activity are in existence.
- d. Billing and/or collection activities relating to the business conducted at the branch office or offices are performed by an employee or other representative, of the taxpayer who has such responsibility for the branch office.
- e. All business claimed by a branch office or offices must be conducted by and through said office or offices.
- f. The taxpayer must supply proof that all applicable business licenses with respect to the branch office or offices have been issued.

(2) Nothing herein shall be construed as exempting businesses from payment of a license on the basis of a lack of physical location.

SECTION 3. Definitions.

Unless the context clearly requires otherwise, the following terms shall have the meaning set forth below:

(2) "Gross sales" shall also mean and include the reasonable and fair market value of any tangible personal property previously purchased at wholesale which is withdrawn from the business or stock and used or consumed by any person so withdrawing the same, except property which has been previously withdrawn from such business or stock and so used or consumed and with respect to which property the tax has been paid because of such previous withdrawal, use or consumption, and except property which enters into and becomes an ingredient or component part of tangible personal property or products manufactured or compounded for sale and not for the personal and private use or consumption of any person so withdrawing, using or consuming the same; and

(3) Shall mean all sales regardless of the place where the sale was solicited, or place where the contract of sale was consummated, or the place of delivery.

S. industries there under subject to this Code and specifies the applicable tax rate for each activity.

SECTION 4. License term; minimums.

- (a) *Full year:* Every person who commences business before the first day of July shall be subject to and shall pay the annual license for such business in full. Unless otherwise specified in the schedule, the minimum license shall be one hundred fifty dollars (\$150.00).

- (b) *Half year:* Every person who commences business on or after July 1, shall be subject to and shall pay one-half (1/2) of the annual license for such business for that calendar year. Persons commencing business on or after July 1 shall pay a minimum license of seventy five dollars (\$75.00).

- (c) The amount of the license due hereunder shall not be affected or decreased by the subsequent abandonment or discontinuance of such business. It is the responsibility of the licensee to inform the revenue director that a license will not be renewed. The license must be returned to the revenue director with a written notice signed and notarized by the licensee stating the date of discontinuance of business; this must be done on or before December 31st of the license year. Failure to notify the revenue director on or before December 31st may cause a Municipal Court Citation to be issued for failure to renew a license during the grace period. (See section 20 for penalties for failure to renew.)

- (d) *Issuance fee:* A fee of ten dollars (\$10.00) shall be charged for the issuing of each annual business license.

- (e) *Annual renewal:* Except as provided in subsections (1) or (2), the business license shall be renewed annually on or before the thirty-first day of January each year.

(1) If the due date for payment of any business license falls on a weekend or a holiday recognized by the city from time to time, the due date shall automatically be extended until the next business day.

(2) Insurance company annual license renewals shall be renewed in accordance with Code of Ala. § 11-51-122, which states that each year, each insurance company shall furnish the city a statement in writing duly certified showing the full and true amount of gross premiums received during the preceding year, indicate whether it is a fire and marine insurance company or "other" insurance company, and shall accompany such statement with the amount of license tax due according to the licensing schedule. Failure to furnish such statement or to pay such sum shall subject the company and its agents to those penalties as prescribed for doing business without a license as provided for in the municipal code.

(3) On or before November 31 of each year, a renewal reminder shall be mailed to each licensee that purchased a business license during the current year. Said renewal notice shall be mailed via regular U. S. mail to the licensee's last known address of record with the city. Licensees are required to furnish the city any address changes for their business prior to November 1 in order for them to receive their notice, and any delays attributable to licensees' failure to furnish address changes are attributable to the licensees, not to the city. The failure of the city to mail a renewal reminder shall not prevent the city from enforcing its business license laws against a taxpayer but shall preclude the city from assessing fines and penalties for late payment until a renewal reminder is mailed to the taxpayer at its last known address, as indicated in the city's records.

(4) Business license renewal payments received by the city shall be applied to the current renewal only when any and all other debts the licensee owes to the city are first paid in full. No business license shall be issued if the current renewal payment does not meet said prior obligations and the current renewal. Failure to pay such sums shall subject the licensee and its agents to those penalties as prescribed for doing business without a license provided for in the municipal code.

SECTION 5. PAYMENT BY CHECK.

Whenever a business license shall be issued in return for any check, the same shall not be valid or of any force or effect unless such check shall be duly paid upon presentation to the drawer.

SECTION 6. LICENSE SHALL BE LOCATION SPECIFIC

For each place at which any business is carried on, a separate license shall be paid, and any person desiring to engage in any business for which a license is required shall designate the place at which business is carried on, and the license to be issued shall designate such place, and such license shall authorize the carrying on of such business only at the place designated. In the case of the lease or rental of residential or nonresidential real estate each location shall be considered a separate location and shall require the purchase of a separate license.

SECTION 7. LICENSES REQUIRED FOR EACH LINE OF BUSINESS

Every person engaged at one location in more than one line of business falling within separate North American Industrial Classification System ("NAICS") sectors or subsectors from which the taxpayer derives more than ten percent of its gross receipts during the preceding license year shall take out and pay for a license for each line of business.

SECTION 8. RESTRICTIONS ON TRANSFER OF A LICENSE.

No license shall be transferred except with the consent of the council or other governing body of the city or of the director of finance or the revenue director or his or her designee, and no license shall be transferred to reflect a physical change of address of the taxpayer within the city more than once during a license year and never from one taxpayer to another. Provided that a mere change in the name or ownership of a taxpayer that is a corporation, partnership, limited liability company or other form of legal entity now or hereafter recognized by the laws of the state shall not constitute a transfer for purposes of this chapter, unless:

- (1) The change requires the taxpayer to obtain a new federal employer identification number or department of revenue taxpayer identification number; or
- (2) The city subject license is one for the sale of alcoholic beverages.

SECTION 9. LICENSES REGISTERS.

All of the licenses due the city, of whatsoever character, shall be collected by the revenue director; it shall also be his or her duty to keep a correct register of all such licenses. The revenue

director shall notify all delinquents of their delinquency, and upon failure of those so notified to procure their license, the revenue director shall swear warrants against the same, or commence any other remedy permitted by law, provided, however, that failure to notify a person of said delinquency does not excuse any violation of this chapter.

SECTION 10. UNLAWFUL TO DO BUSINESS WITHOUT A LICENSE.

It shall be unlawful for any person, taxpayer, or agent of a person or taxpayer to engage in businesses or vocations in the city or its police jurisdiction for which a license is required without first having procured a license. A violation of the ordinance passed hereunder fixing a license shall be punishable by a fine not to exceed the sum of five hundred (\$500.00) for each offense, and if a willful violation, by imprisonment, not to exceed six (6) months, or both, at the discretion of the court trying the same. Each day shall constitute a separate offense.

SECTION 11. LICENSE MUST BE POSTED.

Every license shall be posted in a conspicuous place, where said business, trade or occupation is carried on, and the holder of the license shall immediately show same to the revenue director upon being requested so to do. In the case of license(s) purchased for the lease or rental of residential or nonresidential real estate each license is to be kept on file by the licensee and shall be available for inspection by the License Commissioner or his agent or representative.

SECTION 12. DUTY TO FILE REPORT.

(a) It shall be the duty of every person subject to such license tax to render to the city on such forms as may be required, a sworn statement showing the total business done, amount of sales, gross receipts and gross sales, stock, value of furniture and other equipment, capital invested, number of helpers or employees, amount of space occupied, or other factor described in the schedule, one or several, as the case may require, for the ascertainment of the classification of such person for license taxation purposes and the correct amount of license tax to which he is subject.

(b) If the city determines that the amount of business license tax reported on or remitted with any business license remittance form is incorrect, if no business license remittance form is filed within the time prescribed, or if the information provided on the form is insufficient to allow the taxing jurisdiction to determine the proper amount of business license tax due, the

city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.

(c) The city shall promptly mail a copy of any preliminary assessment to the taxpayer's last known address by either first class U.S. mail or certified U.S. mail with return receipt requested, or, in the sole discretion of the city, deliver the preliminary assessment to the taxpayer by personal delivery.

(d) If the amount of business license tax remitted by the taxpayer is undisputed by the city, or if the taxpayer consents to the amount of any deficiency or preliminary assessment in writing, the city shall enter a final assessment for the amount of the tax due, plus any applicable penalty and interest.

(1) Should a taxpayer disagree with a preliminary assessment as entered by the taxing jurisdiction, the taxpayer shall file a petition for review with the revenue director within by January 31, setting out the specific objections to the preliminary assessment. If a petition for review is timely filed, the revenue director shall schedule a conference with the taxpayer for the purpose of allowing the taxpayer or its representatives and the representatives of the city to present their respective positions, discuss any omission or errors, and to attempt to agree upon any changes or modifications to their respective positions.

(2) If a petition for review is not timely filed, or is timely filed, and upon further review the revenue director determines that the preliminary assessment is due to be upheld in whole or in part, the city may make the assessment final in the amount of business license tax due as computed by the revenue director, with applicable interest and penalty computed to the date of entry of the final assessment. The revenue director shall, whenever practicable, complete his or her review of the taxpayer's petition for review and applicable law within ninety (90) days following the date of filing of the petition or the conference, if any.

(3) A copy of the final assessment shall promptly be mailed to the taxpayer's last known address (1) by either first class U. S. mail or certified U. S. mail with return receipt requested in the case of assessments of business license tax of five hundred dollars (\$500.00) or less, or (2) by certified U. S. mail with return receipt requested in the case of assessments of business license tax of more than five hundred dollars (\$500.00). In either case, at the option of the taxing jurisdiction a copy of the final assessment may be delivered to the taxpayer by personal delivery. The final assessment shall include a statement informing the taxpayer of his or her right to appeal the final assessment to circuit court within thirty (30) days from the date of the entry of the final assessment. On appeal to the circuit court, the final assessment shall be prima facie correct, and the burden of proof shall be on the taxpayer to prove the assessment is incorrect.

SECTION 13. DUTY TO PERMIT INSPECTION AND PRODUCE RECORDS

Upon demand by the city revenue director, it shall be the duty of all licensees to:

(a) Permit the revenue director to enter the business and to inspect all portions of his place or places of business for the purposes of enabling said city revenue director to gain such information as may be necessary or convenient for determining the proper license classification, and determining the correct amount of license tax;

(b) To furnish information during reasonable business hours, at the licensee's place of business, in the city or the police jurisdiction, all books of account, invoices, papers, reports and memoranda containing entries showing amount of purchases, sales receipts, inventory and other information from which the correct license tax classification of such person may be ascertained and the correct amount of license tax to which he is subject may be determined, including exhibition of bank deposit books, and bank statements, copies of sales tax returns to the state, copies of state income tax returns and federal income tax returns.

SECTION 14. UNLAWFUL TO OBSTRUCT

It shall be unlawful for any person, or for any agent, servant or employee of such person, to fail or refuse to perform any duty imposed by this article; nor shall any person, agent, servant or employee of such person obstruct or interfere with the revenue director, in carrying out the purpose of this article.

SECTION 15. PRIVACY.

(a) It shall be unlawful for any person connected with the administration of this article to divulge any information obtained by him/her in the course of inspection and examination of the books, papers, reports and memoranda of the taxpayer made pursuant to the provisions of this article, except to the mayor, the municipal attorney, other authorities with whom the city exchanges information under section 16 or similar exchanges, or others authorized by law to receive such information described herein.

(b) It shall be unlawful for any person to print, publish, or divulge, without the written permission or approval of the taxpayer, the license form of any taxpayer or any part of the license form, or any information secured in arriving at the amount of tax or value reported, for any purpose other than the proper administration of any matter administered by the taxing jurisdiction, or upon order of any court, or as otherwise allowed in this article.

(c) Nothing herein shall prohibit the disclosure of the fact that a taxpayer has or has not purchased a business license. Statistical information pertaining to taxes may be disclosed to the city council upon their written request through the mayor's office. It shall be unlawful for any person to violate the provisions of this section.

SECTION 16. FAILURE TO FILE ASSESSMENT.

(a) In any case where a person subject to paying a license tax as provided herein fails to do so, the revenue director shall be authorized to assess and determine the amount of taxes due using the best information available either by return filed or by other means and enter a preliminary assessment, which will be mailed to the taxpayer and subject to review and appeal as set forth in section 12 above.

(b) The revenue director shall reserve the right to audit all persons subject to paying a license tax for failure to purchase a license or report accurate gross receipts when purchasing a license. The revenue director's right to audit shall be limited to five (5) years prior to the current business license year. Penalties for failure to purchase are in Section 20, (a), (b), (c), and (d).

SECTION 17. LIEN FOR NON-PAYMENT OF TAXES.

On all property, both real and personal, used in the business, the city shall have a lien for such license, which lien shall attach as of the date when the license is due, as allowed by Code of Ala. § 11-51-44 (1975).

SECTION 18. CRIMINAL PENALTIES.

Any person found guilty of violating any of the provisions of this Code shall be fined in an amount of one hundred fifty dollars (\$150.00) for the first violation within a license year, three hundred dollars (\$300.00) for the second violation within a license year, and not more than five hundred dollars (\$500.00) for the third and any subsequent violations in the same license year. In addition, any person found guilty of three (3) or more violations may be sentenced to imprisonment for a period of not exceeding six (6) months, in the discretion of the court trying the case, and violations on separate days shall each constitute a separate offense.

SECTION 19. CIVIL REMEDIES.

In addition to the remedies provided by Code of Ala. § 11-51-150 et seq., the continued or recurrent performance of any act or acts within the corporate limits or within its police jurisdiction for which a license may be revoked or suspended under section 24 of this Code is hereby declared to be detrimental to the health, safety, comfort and convenience of the public and is a nuisance. The city, as an additional or alternative remedy, may institute injunctive proceedings in a court of competent jurisdiction to abate the same.

SECTION 20. PENALTY FOR FAILURE TO RENEW DURING GRACE PERIOD.

(a) All licenses renewals are due and payable from January 1st of each year through January 31st. All licenses renewed on or after February 1st through June 30th are subject to a 25% penalty. All licenses renewed on or after July 1st are subject to a 50% penalty.

(b) In the case of persons who begin business on or after the first day of the calendar year, if their business license is not obtained within thirty (30) days of such business opening, such license shall be assessed with an additional twenty-five (25%) penalty based on the total base license fee due. If their business license is not obtained within sixty (60) days of such business being open, such license shall be assessed with an additional fifty (50%) penalty based on the total base license fee due.

(c) All delinquent accounts (license fees and penalties) shall be also assessed with a cumulative penalty of simple interest at the rate of one (1%) percent for each month delinquent.

(d) Failure to renew during the grace period (January 1st through January 31st.) may cause the issuance, without prior notice, of a Municipal Court Citation. This citation will require a court appearance that may result in fines and court cost.

SECTION. 21. SEVERABILITY.

The sections, paragraphs, sentences, clauses and phrases of this Code are severable, and if any phrase, clause, sentence, paragraph or section of this Code shall be declared unconstitutional by a court of competent jurisdiction, then such ruling shall not affect any other paragraphs and sections, since the same would have been enacted by the city council without the incorporation of any such unconstitutional phrase, clause, sentence, paragraph or section.

SECTION 22. PROSECUTIONS UNAFFECTED.

The adoption of this article shall not in any manner affect any prosecution actually begun or the right to institute the prosecution of any act illegally done contrary to the provisions of any ordinance now or heretofore in existence, and every such prosecution, whether begun before or after the enactment of this article shall be governed by the law under which the offense was committed; nor shall a prosecution, or the right to prosecute, for the recovery of any penalty or the enforcement of any forfeiture be in any manner affected by the adoption of this article; nor shall any civil action or cause of action existing prior to or at the time of the adoption of this article be affected in any manner by its adoption.

SECTION 23. PROCEDURE FOR DENIAL OF NEW APPLICATION.

(a) The revenue director shall have the authority to investigate all applications and may refer any application to the council for a determination on whether such license should issue.

(b) If the council denies the issuance of any license referred to it, the city clerk shall immediately so notify the applicant of the council's decision.

(c) If said applicant desires to appear before the council to show cause why said license should be issued, he shall file a written notice with the city clerk, said notice to be filed within two (2)

) weeks from the date of mailing by the city clerk of the notice of the denial of such license by the council.

(d) Upon receipt of said notice the city clerk shall promptly schedule a hearing, to be held within fifteen (15) days from the date of receipt of such notice, before the council and shall give notice of the date, time, and place of said hearing to the applicant.

(e) The applicant shall be given the opportunity to appear personally, or through his counsel, or both, and the council shall proceed to hear any evidence which may be presented both for and against the issuance of said license.

(f) If the council determines from the evidence presented that in order to either provide for the safety, preserve the health, promote the prosperity, or improve the morals, order, comfort, and convenience of the inhabitants of the city said license should not be granted, it shall enter an order to that effect; otherwise, said license shall be ordered issued upon payment of any required license fees.
